

Welcome to Simandhar City

by NRI Hospitality

Welcome

Dear Mahatmas / Visitors,

Welcome to Simandhar City, a city where Dadashri's vision has become a reality!!

In fulfillment of Dadashri's vision, Pujya Niruma inaugurated Trimandir on December 29, 2002.

Today, Simandhar City is a rapidly expanding community of Mahatmas, living together with a common intent and the shared goal to attain the bliss of the Self. Simandhar City's environment supports Mahatmas to remain in Dadashri's Five Agnas and to cultivate devotion towards Lord Simandhar Swami, leading towards the goal of moksha.

Pujya Deepakbhai's bhavana (pure intent)

“Simandhar City is a Pavitra (pure) city, Jagrut (awakened awareness of the Self) city, and Vitrag (free from attachment and abhorrence) city.”

Simandhar City Hospitality Team

The role of Simandhar City Hospitality Team is to assist and accommodate visitors from outside of India. It is our intent to ensure that your stay is comfortable, inspiring and enlightening.

Because our team has limited accommodation facilities, we face an ongoing challenge of demand exceeding availability. When we cannot accommodate visitors within Simandhar City, our Team will recommend nearby hotels and may assist with bookings.

All International guests and Mahatmas must register in advance at: <http://simcityarrival.dadabhagwan.org>

Important note: Registrations and bookings are not accepted by phone. Online completion of the registration form is mandatory.

General Guidelines and Policies

- Simandhar City Hospitality accommodations offer simple, ashram-style facilities.
- To make optimal use of our limited facilities, accommodation is offered on a shared basis (i.e. you will likely share accommodation with other visitors).
- Cooking is not allowed in any of our accommodation facilities.
- Government regulations require Western (Non-Indian) guests to provide copies of their passport, emergency contact information in their home country, and a local contact number (if available).
- English-and-other-language translation will be available at all major events, except when technically impossible.
- For translation, please bring your own FM radio and headset.

Contact the Hospitality Team:

Simandhar City hosts visitors from different cultural backgrounds all year-round. To maintain an atmosphere conducive to spiritual practice, all are expected to abide by the following community rules:

- Possession and/or use of alcohol or drugs is strictly prohibited.
- Smoking is prohibited, especially within accommodation facilities.
- Consumption of eggs and meat is strictly prohibited. Simandhar City is a 100% vegetarian community.
- For safety and medical reasons it is prohibited to feed, play with, or encourage stray animals in any way.
- Couples do not openly display affection in this part of India. Please respect the celibate groups living in Simandhar City by adopting this custom during your visit.
- Maintain a modest dress code. Please dress conservatively! Women are requested to cover their chest area with a scarf, while men are requested to wear long pants. Sleeveless tops, shorts, and/or revealing clothing are unwelcome in Simandhar City.
- Simandhar City Hospitality Team reserves the right to refuse or discontinue the stay of any visitor.

If you need clarification on any of the above-mentioned points, feel free to discuss this with a member of our team, or email simcity@dadabhagwan.org.
